PURE CONFIDENCE

The difference is Swift

Whether you're seeking exhilarating adventure or peace and tranquillity, our aim at Swift is to make your holiday as comfortable and enjoyable as possible.

We continually invest in design and innovation to make sure your Swift motorhome is one of the most stylish, technologically advanced and practical. That's why every Swift motorhome features all these box ticking benefits:

- ✓ Swift Command an app based intelligent vehicle management system
- ✓ Swift Command Tracker, a pre-installed Thatcham Category 6 approved proactive tracker with option to subscribe
- ✓ Connect Direct, an exclusive online customer service account for owners
- ✓ 'SwiftShield' stain resistant, easy clean fabric (optional)
- ✓ Duvalay 'Duvalite' mattress on all fixed beds
- ✓ Dual fuel boiler delivering domestic style heating and hot water
- ✓ Ultra-low energy LED lighting throughout interior
- ✓ Designer styled soft furnishing schemes
- ✓ Sunroof
- ✓ Dometic fridge
- ✓ Bleachable carpets designed to repel everyday spills, stains and dirt
- ✓ European Whole Vehicle Type Approval
- ✓ Grade 3 classification for heating and thermal insulation enabling all year round use
- ✓ British owned and manufactured

Every Swift coachbuilt motorhome also features:

- ✓ SMART construction system with timberless framed, GRP bodyshell
- ✓ 10 year manufacturer backed bodyshell warranty

SMART CONSTRUCTION

SMART is the UK's leading modern construction system, it is engineered to make it consistent, reliable and repeatable time after time.

Designed to be strong and lightweight, SMART is constructed with GRP balanced panels comprising 'PURE' polyurethane batons instead of timber, an insulating high density polystyrene core, and a GRP inner and outer skin. The exterior roof has hail resistant GRP for extra robustness. Swift uses GRP in its SMART construction as it is more impact resistant than aluminium.

SWIFT COMMAND

For 2018, Swift Command has been upgraded with even more vehicle functions to manage, including the fridge and extra features like places of interest.

Swift Command is an intelligent, app based vehicle management system that you can operate with a smart device from inside your vehicle or remotely, to monitor and manage your habitation functions like heating, lighting, water and power levels. There are also a host of features such as the useful locator function and the new 'places of interest' that includes club campsites.

SWIFT COMMAND TRACKER

Pre-installed on all Swift motorhomes is Swift Command Tracker, a Thatcham Category 6 approved proactive tracker. Owners can choose to subscribe to protect their valuable motorhome and precious possessions, and may also benefit from discounts on their motorhome insurance.

SWIFT CONNECT DIRECT

Swift's online customer service portal, with key benefits of: access to information 24/7; ability to report faults directly to Swift; product upgrades and notifications; live chat direct into Swift's experienced retail team; upload service history records and service history reminders.

Travelling thousands of miles, sometimes on rough bumpy roads and with hundreds of different components in each motorhome, problems can surface. If that happens, then through Connect Direct, Swift works with you and your dealer to resolve.

INVESTMENT FOR THE FUTURE

Retaining the good looks and condition of a motorhome can make a significant difference to its future resale value. Swift is constantly evaluating new and improved materials that are more resilient, which is why Swift can offer a 10 year bodyshell warranty that is manufacturer backed. (excludes Select)

SWIFT

GRADE 3 INSULATION

FOR YEAR ROUND COMFORT

GRADE 3 INSULATION

All Swift motorhomes are rated Grade 3 for insulation. This is achieved through a rigorous testing regime in a cold chamber, where the motorhome is chilled to minus 15°C and has to warm up to plus 20°C within 4 hours.

With Swift Command, if the temperature does drop while an owner is away, they can turn their heating on to ensure a warm and welcoming return to their motorhome.

SWIFT SHIELD

SWIFTSHIELD

An ingenious fabric that through the manufacturing process creates a resilient yet comfortable suede like fabric so that if coffee or red wine gets spilled or it's marked by crayon, pen or dirt, then with a simple wipe of a damp cloth they all disappear. A full SwiftShield scheme is an optional fabric on all ranges (except Rio).

REGENCY CARPET

100% bleachable, all Swift carpets are designed to repel everyday spills, stains and dirt.

SWIFT PARTNERSHIPS

duvalay™
BEDTIME LUXURY

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all motorhome ranges. This innovative light weight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

truma

Truma provide one of the industry's leading heating systems which features as standard across the Select, Escape and Rio ranges. The Truma Combi heater is lightweight and compact as well as quiet in operation, and there is an efficient boost function for a fast supply of warm water and room heating in a short time. Truma carry out cold chamber testing of their products to prove they meet the Grade 3 standard for heating and insulation.

Alde®

Way back in 1994 Swift chose Alde heating systems to help make their motorhomes feel more like home. Proudly made in Sweden since 1949, Alde delivers the quietest, most comfortable motorhome heating for the great explorers of the world, and keep on innovating to this day. Swift motorhomes are tested down to minus 15°C to ensure you stay cosy no matter where your journey takes you.

Oyster®
Sat-Tech Ltd.
A ten Haaft Company

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.

Diamondbrite LEISURE

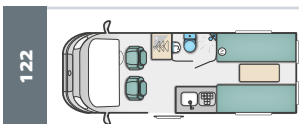

Swift are partnering with Diamondbrite Leisure - the ultimate in Paint & Upholstery Protection for your motorhome. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

SELECT

The incredibly versatile van conversion range, easily converts from everyday run-around to sporty adventurer.

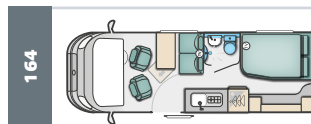

PURE VERSATILITY

KON-TIKI

Distinctive and distinguished, the exquisite Kon-tiki continues to be the epitome of luxury motorhoming

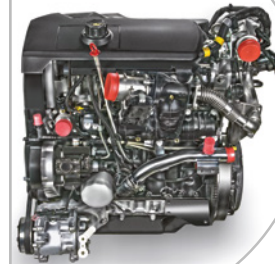

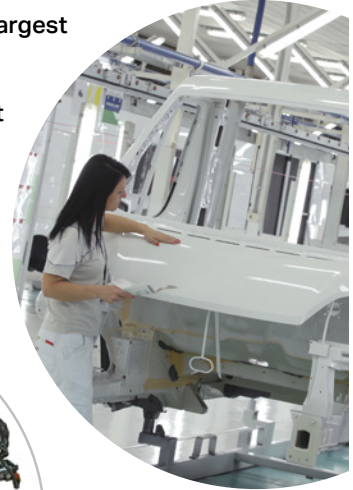

PURE INDULGENCE

WHY FIAT?

Swift believe the new generation Fiat Ducato with Euro 6 engine is the most stylish platform to complement their motorhome design.

Built in Atessa, the largest and most advanced commercial vehicle manufacturing plant in Europe, it also meets Swift's exacting standards to deliver to you the best product possible.

With advanced diesel injection technology it provides:

- Greater performance
- Lower fuel consumption
- Lower emissions
- Smoother running and a quieter ride

The refined cab has streamlined modern styling and offers a car like driving experience and comfort.

- Ergonomic cab seats feature integrated headrest, wide backrest, and side support for a comfortable journey
- Daytime running lights
- 12V socket and USB socket for improved connectivity
- Dash mounted tablet holder for greater convenience
- MP3 compatible Radio with Bluetooth for handsfree phone connection
- Handy central holder takes two cups or 0.75litre bottles and has space for a smart phone, iPod or other small objects
- Modern instrument panel graphics for clear driver display
- Gearshift indicator shows when to change gear for optimum economy

KEY FEATURES ACROSS SWIFT COACHBUILT MOTORHOMES

A full list of features can be found on the website swiftgroup.co.uk

ESCAPE

Chassis Cab

- White cab with complementary graphics
- Front bumper finished in body colour
- Fiat Euro 6 130bhp, 2.3 litre engine
- Daytime running lights
- Dashboard design with fully integrated factory-fit DAB Radio/MP3 player with Bluetooth
- Cab battery isolation switch to prevent discharge in storage
- Driver airbag
- Thermal cab window covers
- Cab carpet (removable)
- Captain's chairs with:
 - Swivels (model dependent)
 - Position, height and rake adjustment
 - Two armrests
 - Fully upholstered covers
 - Seat base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Key fob operated remote central locking of cab doors
- Electrically operated and tinted cab windows
- Adjustable steering wheel position
- LED swan neck reading lights
- Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- Door pockets with bottle holders
- 12V socket and USB socket

Body and Exterior Equipment

- Distinctive streamlined low profile
- AL-KO extra-long wheelbase chassis for 674, 684, 685, 694 & 695
- SMART Plus construction
- GRP front pod with optional opening panoramic sunroof
- Entrance door with secure 2-point locking and integrated door retainer
- Single key for all habitation door
- Exterior access doors for easier storage under seats/bed (model dependent)
- Flush fitting, double glazed, tinted acrylic windows with night latch ventilation
- 16" wheels with full wheel trims
- LED front marker lights
- Exclusive LED rear light clusters
- Low energy LED exterior awning light
- High-level brake light
- Compartment for two gas bottles (sizes vary by range) with butane/propane regulator and propane hose
- Bike rack fixing rails fitted to the rear

Living Area

- Scatter cushions
- 'Aralie Sen' woodgrain with contemporary colouring
- Matt white overhead lockers
- Chrome handles with push-button locks on overhead locker doors
- Two-position front seating arrangement providing L-shape lounge or two forward facing travelling seats (specific to selected Escape models)
- Lap and diagonal seat belts on all designated passenger seats
- Swift AirWave cushioning for greater seating and sleeping comfort (Escape only)
- New height adjustable manual drop-down beds with lower drop level (model specific, optional on Escape 674, 684 & 694)

- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Lounge seat and bed tops with assisted opening for easy access
- Pleated cassette blinds with flyscreens on all windows
- Travel lock for TV brackets where fitted
- Skylights with flynet and adjustable blinds
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Removable step well mat
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Dometic 85 litre manual selection fridge with 230V, gas and 12V operation (622 & 664)
- Dometic 138 litre slimline fridge in 604, 614, 674, 684, 685, 694 & 695
- Combination thermostatic oven and grill with electronic ignition
- 3 burner gas hob with electronic ignition
- Built-in microwave oven with digital controls
- Kitchen roof light with flyscreen and blind
- Granite effect moulded kitchen sink
- Kitchen work top extension flap (except 614 & 664)
- L-shaped sink unit with work top extension and cutlery drawers on 674, 684, 685, 694 & 695
- Removable drainer and food grade nylon chopping board
- Vector kitchen mixer tap
- LED strip lighting in china locker

Washroom

- Washroom design with vanity unit, sink and shower
- Dedicated shower cubicle (604 & 614)
- New illuminated shower tower (604 & 614)
- Ecocamel Orbit shower head with on/off button for a powerful shower that uses less water
- 32mm thick entrance door with domestic style mortice lock and handle
- Vector chrome effect mixer tap
- Thetford cassette toilet with electric flush and 18 litre wheeled tank
- Overhead towel locker (model specific)
- New Micro-heki skylight with flyscreen (except 664 which has side window)
- Mini LED down lights
- High gloss white washroom wallboard

Heating and Plumbing

- Dual fuel heating with Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined or Combi 6 1.8kW electric/6kW gas/5.8kW combined (model dependent)
- Digital programmable controller for heating and hot water
- En-route heating system with Truma 'Crash sensing Mono' regulator for use of heating and water heating while travelling
- En-route heating for underfloor water tanks to keep defrosted
- Pressurised fresh water system with self-priming pump and accumulator
- 12V exterior power point for pump filling of water tank (pump not supplied)

Electrical

- Swift Command and Swift Command Tracker
- Fully sealed, long life, 80 Amp-hour leisure battery below driver's seat

- Minimum of three chrome 230V sockets
- Mains consumer unit with mains isolators and 12V fuse board
- 25 Amp/300 Watt charger/transformer for leisure batteries
- TV station with 230V and 12V sockets, aerial socket
- Ultra-low energy lighting system:
- LED spotlights
- Over-locker LED ambient lighting
- 25 metre mains hook-up cable

Customer Service

- Exclusive online Connect Direct account with direct access to Swift

RIO

(Additional/upgrade to Escape)
