REASONS TO BUY A SWIFT MOTORHOME

Find out what sets Swift apart

\*Coachbuilt Motorhomes only

1

Reliable Build Quality

Exclusive to Swift, SMART Construction\* is the UK's most popular modern construction system. Years of research and rigorous testing went into its development.

No wonder we've given it a 10-year manufacturer bodysell warranty\*

2

Protecting good looks

GRP outer skin, hall resistant roof and GRP rear gives a tougher exterior; more impact resistant than aluminium and easier to repair than ABS. Inside, cushioning tested to extreme, bleachable carpets and optional SwiftShield fabric are all designed to keep your home from home looking its best.

Swift motorhomes are built to last

3

Touch Control

Swift Command with new touchscreen control panel, user friendly design and easy to follow navigation with compatible smartphone app to manage key functions like heating.

Vehicle management at your fingertips

4

Secure and Save

With a pre-installed Swift Command Thatcham Category 6 approved pro-active tracker (subject to annual subscription) and VIN CHIP™ identification system concealed within construction to deter theft and aid quick recovery, you can better secure your vehicle and save with insurance discounts (Discounts depend on insurance provider).

Enjoy extra peace of mind

5

Outstanding Customer Service

Get issues resolved promptly with Connect Direct, our dedicated online customer service account for new owners. Report any problems directly to Swift, and we'll work with your dealer to resolve it as quickly as possible.

With you every step of the way

6

Approved Dealer Network

With the largest dealer network, expert advice is on hand right across the UK thanks to our Approved Dealer Programme. Extensive training programmes for dealer teams through the Swift Academy to support and enhance your Swift experience.

Wherever you wander, you're never too far from a Swift Dealer

7

Relaxing Space

Stay warm and sleep tight every night with Grade 3 heating and insulation along with a Duvalay Duvalite lightweight memory fibre mattress, exclusive to Swift, on all fixed beds.

Relax in comfort on the premium seating – with supportive cushioning and sprung beech slats.

You're assured of a comfortable stay

8

Wide Choice

We have different motorhome ranges to suit most budgets and styles – each with multiple layout options and most can be driven with a B licence.

We have the UK's best-selling motorhome range

9

Pioneers

Innovation is at the heart of our ethos, we never stand still. This philosophy spans everything Swift builds. From aerodynamic profiling through to modern interior styling, we ensure our products look sensational and work intuitively. We are proud recipients of a Red Dot Award.

Think contemporary design and clever storage solutions

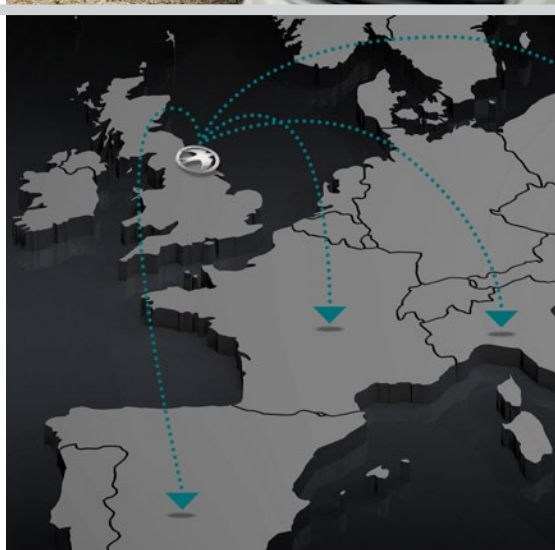

10

Europe's No.1 Brand

British owned, Swift started life as a family business in 1964 and retains that ethos today. We directly employ over 1,200 people, boosting the local economy, developing local expertise and reinforcing the power of British manufacturing.

Proud to be Yorkshire Born and Bred

SWIFT PARTNERSHIPS

Swift is delighted to have secured exclusivity to fit the Duvalite mattress as standard in all fixed bed models across all motorhome ranges. This innovative lightweight Memory Fibre Mattress is as comfortable as memory foam but has many other benefits. Constantly innovating Duvalay ensure our customers have the premium night's sleep they need and deserve.

Swift are partnering with Diamondbrite Leisure – the ultimate in Paint & Upholstery Protection for your motorhome. The exterior nano-ceramic treatment forms a high-gloss coating for easier cleaning and never needs polishing, while the upholstery protection resists staining. It is professionally applied at your dealership and comes with a lifetime guarantee plus complimentary aftercare pack.

Way back in 1994 Swift chose Aide heating systems to help make their motorhomes feel more like home. Proudly made in Sweden since 1949, Aide delivers the quietest, most comfortable motorhome heating for the great explorers of the world, and keep on innovating to this day. Swift motorhomes are tested down to minus 15°C to ensure you stay cosy no matter where your journey takes you.

Truma provide one of the industry's leading heating systems which features as standard across the Select and Escape ranges. The Truma Combi heater is lightweight and compact as well as quiet in operation, and there is an efficient boost function for a fast supply of warm water and room heating in a short time. Truma carry out cold chamber testing of our products to prove they meet the Grade 3 standard for heating and insulation.

Swift recommend Oyster satellite TV and broadband. Permanently mounted dishes fold away neatly when travelling then raise and locate the satellite signal automatically seconds after activation. Made in Germany, they come with a 3 year warranty and there is a dedicated UK service centre.
