Ultimate Luxury

This is luxury at its very best!

For those looking for the ultimate in opulent Touring Luxury look no further than the Auto-Sleepers' Mercedes coachbuilt range; these models have been fully optimised to offer unparalleled comfort, with features including beech sprung slats on beds, reflex foam upholstery, touch-screen displays, GRP interior walls, habitation air conditioning amongst many more as standard. As with all Auto-Sleeper Motorhomes, the Mercedes range is Grade 3 insulated, meaning it's the ideal luxury home-from-home all year round.

More comfort on the move

Truma Aventa Comfort

Enjoy a pleasant indoor climate thanks to the Truma Aventa Comfort roof-mounted air conditioning system.

Grade 3 Insulated

All our Mercedes Coachbuilts feature Grade 3 Classification for heating and thermal insulation.

Underfloor Mounted LPG Gas Tank

25 litre underfloor mounted LPG gas tank installed, offering hassle free practicality with numerous benefits.

Auto-Sleepers' interiors feature a cocktail cabinet with crystal wine glasses as standard

Lie back, relax and unwind

Auto-Sleepers Mercedes range of motorhomes come in a variety of sizes and layouts, all offering that all important place to relax and unwind. Each and every model features high quality Reflex™ foam upholstery in Casa Mila or Vogue Pebble trims with a choice of 5 colour options to suit every taste. Colour co-ordinated habitation curtains including tiebacks and scatter cushions help to complete the luxury feel inside your new motorhome. Energy Efficient LED lighting is fitted throughout adding to the relaxed atmosphere inside. Truma habitation air conditioning is also fitted as standard allowing you to cool down or warm up in comfort all year round.

LED Lighting

Create the right atmosphere with energy efficient LED lighting including positionable reading spotlights.

Reflex™ Foam Upholstery

Premium quality Reflex™ foam in all soft furnishings for ultimate comfort.

Ready, Steady, Cook!

The fully equipped kitchens deliver all the space and equipment you need on your trips away, so whether you're frying up some bacon and eggs, cooking a spaghetti bolognese or a delicious Sunday roast; you'll be able to do it all. Standard equipment includes Theford cooker with dual-fuel hob and separate oven and grill, stainless steel sinks, Dometic fridge/freezer, microwave and hob extractor.

Dual Fuel Hob

Fully equipped cooking facilities include a flexible dual-fuel hob with separate oven and grill

Microwave Oven

All coachbuilts feature a 230v Dometic microwave oven for convenient cooking on tour.

Fridge-Freezer

Keep your food fresh with the large 3 way refrigerator with freezer compartment

Auto-Sleeper kitchens are fully equipped with everything you need to cook even the most extravagant of meals

Spectacular Showering

Luxury isn't just confined to the kitchens and living areas of the Mercedes range of motorhomes, each and every washroom has been designed to utilise every inch of practical space. Combined shower and toilet washrooms feature either a unique swing wall design or separate shower cubicle depending on model chosen, and are completed by an electric flush cassette toilet with separate header tank. Added luxury comes in the form of vanity cupboards with mirrors, chrome fixtures and fittings, storage cupboards, ducted blown air heating outlets, opening roof vents and LED lighting as standard.

Combined Shower & Toilet Compartments

Bourton models feature space-saving multi-function washroom unit providing all the bathing essentials

Separate Shower Cubicle Options

For added hotel chic, the Malvern, Winchcombe, Burford and Burford Duo feature a separate shower cubicle

Amazing Spaces

Every inch has been utilised to maximise useful interior and exterior storage solutions within the Mercedes motorhome range. The designers at Auto-Sleepers have years of experience behind them and put great time, care and effort into designing solutions that work. Every model features spacious wardrobes, seat tops on gas struts and drop down access door to under-seat benches, over-cab storage compartments, range of high level lockers, slide out table storage, as well as large external under-floor mounted skirt lockers for those wet muddy essentials.

Born to Run.

The Best Sprinter Of All Time

Impressive Specification.

Take your adventures to the next level with the Mercedes-Benz Sprinter.

The 2022 Auto-Sleepers Mercedes-Benz range is built on the latest Sprinter Chassis; The most intelligent, powerfully connected van the world has ever seen. The result of Mercedes continuous development process of ensures that the new class leading Sprinter is even more advanced, even more flexible, even safer and even more economical.

Under the hood the Mercedes range is more versatile than ever, with the 7-speed automatic transmission increasing efficiency and payload.

On the road your safety is paramount, thankfully the new Sprinter leads the way when it comes to safety and security, with a powerful suite of standard features – including Active Brake Assist as well as a reassuring double lock and visible VIN.

Every Auto-Sleeper Mercedes Coachbuilt features State-of-the-art MBUX (Mercedes-Benz User Experience) technology in the Sprinter cab. Fitted as standard with a high resolution 7-inch touchscreen, it offers intuitive touch control and enables Mercedes PRO connect services.

Choose a Coachbuilt on a Sprinter chassis and benefit from an enhanced cab environment filled with impressive specification – and keep your adventures moving

Even Better Features.

Keyless Start

Start your vehicle at the push of a button.

Electric Parking Brake

Parking brake operated simply and conveniently via a button.

MBUX

A high resolution 7-inch touchscreen featuring Apple CarPlay, Android Auto, and Mercedes PRO connect services.

Multi-Function Steering Wheel with Gearshift Paddles

All controls, all in one place, for a streamlined cabin and safe operation while driving.

Crosswind Assist & Adaptive ESP®

Our Mercedes Coachbuilts feature the latest technology to help keep you safe on the road.

Satellite Navigation

This feature includes live traffic capability to keep your journeys as smooth as possible.

DAB Radio

The Sprinter receives DAB and analogue radio as standard.

3rd Generation SCR Emission Control System

Stringent Euro 6 emissions standard is met with the aid of the SCR (Selective Catalytic Reduction) technology.

Practical Features

When you venture out in your Auto-Sleeper, our aim is not only to provide you with features that offer opulent luxury and comfort, but that are also practical and useful to maximise your holiday enjoyment every time you travel.

Our expert motorhome designers have designed the internal layouts of our motorhomes to optimise efficiency of the living spaces; balancing freedom of

movement with storage of equipment and features.

To complement the design of the space, Auto-Sleepers install the finest materials and equipment to produce leisure vehicles of the highest standard.

To create as much internal space as possible, features such as the LPG gas tank and heating systems are mounted

underfloor. They are however still easily accessible when required.

To ensure that owners can use their vehicle all year round, every model meets grade 3 classification for thermal insulation, so there's nothing stopping you escaping to the outdoors.

Grade 3 Fully Insulated
All our motorhomes feature Grade 3 Classification for heating and thermal insulation.

**Underfloor Mounted
LPG Tank**
25 litre underfloor mounted LPG gas tank installed, offering hassle free practicality with numerous benefits

80W Solar Panel
Be more self-sufficient and save money on your next holiday thanks to the included Solar Panel.

High quality Reflex™ foam upholstery.

Auto-Sleepers soft furnishings are constructed with UK manufacturer Vitafoam's premium quality Reflex™ foam for superior comfort, durability, recovery and service life.

Spacious storage facilities

To help make the most of your space, our designers have included numerous space saving storage options to securely stow your luggage.

Dine Al'Fresco!

Feel like making the most of some glorious weather? All Auto-Sleeper models feature external BBQ points for quick and easy outdoor dining.

Metalarte habitation door with sliding flyscreen door

Auto-Sleeper Coachbuilds are fitted with a safe and secure exterior habitation door featuring single key locking. For added comfort and hygiene, these doors are also fitted with a useful pleated-mesh flyscreen to help keep annoying pests out of your living area.

The Lithium Difference

Coachbuilt models are fitted with Lithium iron phosphate leisure batteries (LiFePO4 or LFP) which offer lots of benefits compared to lead-acid batteries. Including, longer life span, extremely safe, lightweight, improved discharge and charge efficiency, all whilst providing a long life span.

- Heavy on power. Light on weight**
 Compared to lead-acid batteries lithium provides great energy density and are at least half the mass. Go for lithium if you want to reduce concerns about battery weight, performance and size.
- Long lifetime. Lower costs**
 A huge advantage to lithium technology is the life cycle rating which far surpasses alternative technologies. Lithium batteries operate ten times longer than lead-acid.
- Quick and efficient**
 Lithium can charge and discharge at a high rate providing maximum versatility. Fast charging minimizes downtime, and lithium's high rate of discharge is perfect for a burst of power.
- Low self-discharge**
 Lithium batteries have a very low self-discharge rate; <3% per month. Compared to lead-acid this is 10 times lower.
- Maintenance free**
 Lithium batteries don't require active maintenance to extend their service life and include built in automatic overcharge protection.

TN Lithium Iron Battery (standard)

As standard 2022 Auto-Sleepers Coachbuilt models are fitted with TN Lithium iron phosphate leisure batteries (LiFePO4 or LFP). These are up to 40% lighter than conventional lead acid batteries at just 10.2kg, and using the technology of lithium iron phosphate cell provide superior safety, up to 3000 cycles and 100% Depth Of Discharge, under normal conditions.

Super B Epsilon (optional)

The Epsilon is a drop-in lead-acid replacement, with all the benefits of Lithium Iron Phosphate. It has superior weight reduction, enormous energy reserves and stable voltage even at extreme loads. This lithium battery is suitable for 12V installations. Eliminating the need for an external safety relay means the lithium battery is very easy to install. Super B lithium batteries live up to 5000 cycles without decreasing in performance. Resulting on the long term in lower costs.

The Latest Touring Technology

For 2022 Auto-Sleeper models have been fitted with an exciting range of equipment to further enhance your trips away. Improved Security features, stylish exterior looks, plus be the envy of everyone on the campsite and stream all your favourite media from iPlayer, Netflix and Spotify thanks to internet connections up to 5x stronger than standard mobile connections.

Truma dual fuel combi space and water heater

2022 models benefit from the space saving and efficient Truma dual fuel combi blown air central heating and water heater.

MBUX infotainer*

A high resolution 7-inch touchscreen featuring Apple CarPlay, Android Auto, DAB radio and Satellite Navigation Upgrade*

5G Motorhome Wifi (SIM card required)

All 2022 Auto-Sleeper coachbuilds are fitted with powerful 5G ready Mobile broadband equipment designed to improve internet connectivity on your touring excursions.

80W Solar Panel*

Be more self-sufficient and save money on your next holiday thanks to the included Solar Panel.

Truma Aventa Comfort (Delete Option)

Enjoy a pleasant indoor climate thanks to the Truma Aventa Comfort roof-mounted air conditioning system.

GPS Sargent S7 Tracker Pre-Installed (€95 Annual Subscription applicable)

25 litre underfloor mounted LPG gas tank installed, offering hassle free practicality with numerous benefits

Grade 3 Fully Insulated

All our motorhomes feature Grade III Classification for heating and thermal insulation.

Teleco Media Pack (optional)

2022 Auto-Sleeper models can benefit from the updated media pack featuring the Teleco 65cm system.

*Premium Pack

Harmony

Utility Management System

Easy Access Controls

Relax knowing that your Auto-Sleeper is fitted with the Harmony Utility Management System. The Harmony UMS combines the latest electrical systems from innovative UK electrical manufacturer Sargent and renowned German manufacturer Truma. The UMS allows for straightforward control of your on-board leisure facilities from one, easily accessible location. Plus, for even greater peace of mind, your UMS features Sargent's S7 vehicle tracker, which can be monitored remotely using 'Auto-Sleepers LOCATE.'

Manage your onboard systems

The LCD touch-screen control panel allows you to easily monitor and control your motorhome's on-board systems. This functional all-in-one panel makes it simple to manage your lighting, battery and water so that you can spend more time enjoying your trips away.

Temperature control

The digital Truma CP plus control panel allows you to set the temperature in your Auto-Sleepers motorhome quickly and easily. Choose functions like fan speeds and night time economy mode instantly. The automatic climate control ensures a constant indoor temperature in all weathers.

Location tracker

Check the location of your motorhome and see the location of all Auto-Sleepers approved dealer workshops.

Safe Heating On The Move

Drive Safe Regulator

For 2022 all Auto-Sleeper models feature an innovative gas pressure regulator from Truma. It offers its users a safe and convenient supply of gas when on the move. With an integrated gas flow monitor, you can use your liquid gas heater whilst driving.

How safe is it to operate a gas system for heating while you are on the move? Truma has the answer: for years, we have been further developing technical standards for protective devices that enable heating whilst driving; and now we have also incorporated a crash sensor into our new generation of gas pressure regulation systems.

This sensor even responds to accidents that take place at low impact speeds of 10mph, closing the gas supply before damage can be caused to the lines or devices.

So you can arrive at your destination with everyone feeling relaxed, reassured, and safe. Truma gas pressure regulation systems offer everything required to ensure safe heating on the move, throughout the whole of Europe.

For further information on Truma products please visit:
<https://www.truma.com/uk/en/home/>

Join the Club

www.asoc.uk.com

The Auto-Sleepers Owners' Club was formed in 1989 and now has a membership exceeding 2,400. Closely allied with the Company, membership of the Club is open to all Auto-Sleepers owners.

Benefits include a monthly newsletter and rallies throughout the year, both at home and abroad. Enquiry forms are available through the Company or by visiting the club website.

Have it your way.

Auto-Sleepers have been hand-crafting motorhomes to stand the test of time for over 60 years and we believe that your motorhome should be tailored to be exactly how you want it. That's why we offer numerous personalisation options to enable you to customise your vehicle to meet your requirements.

Roof Options

Auto-Sleepers coachbuilt models are available with a choice of two roof options, available at no extra cost.

Low Profile

The lowline roof is available with either a large opening skyview rooflight or additional locker storage.

Luton

The overcab luton offers additional sleeping accommodation for two people.

Seating Options

Selected Coachbuilt models are available with the option of two rear seating configurations. Choose from either twin benches, creating a spacious lounge or additional rear travelling seats**, which allow for extra passengers to be transported in the rear safely.

Twin Bench Lounge

Additional Rear Travelling Seats

Fabric Options

Every Auto-Sleeper comes with a choice of colourways from the latest range of hand-picked Belgian 'Vogue Pebble' or 'Casa Mila' fabrics, providing a luxurious finish for that added personal touch.

Vogue Pebble

Casa Mila

Seat Belt Safety

Seat belts for the front cab seats in motorhomes have always been installed by the base vehicle manufacturer since the law required them to do so and wearing them is a legal requirement whenever the vehicle is being driven.

Seat belts in the rear of a motorhomes however is more complicated; where a designated travelling seat is available it must be used, however, where there

isn't one it's not illegal to travel in the rear without wearing one at present, although this could well change in the future.

In the interests of everyone's safety and peace of mind, Auto-Sleepers always recommend when travelling in the rear of a motorhome, it should be in a designated travelling seat with the three point seat-belts in use. Please note that adding optional seatbelts reduces vehicle payload by 40kg.

Look out for the red seat-belt symbol next to the layout to indicate the availability of designated rear travel seats which have been tested and approved as fully compliant with European whole vehicle type approval for your total safety and peace of mind.

Situation	Front Seat	Rear Seat	Responsibility
Driver	Seat belt must be worn if fitted	-	Driver
Child under 3 years of age	Seat belt must be worn if fitted	Correct child restraint must be used	Driver
Child from 3rd birthday up to 135cm in height or 12 th birthday, whichever they reach first.	Correct child restraint must be used	Correct child restraint must be used where seat belts are fitted. Must use adult belt in rear seat if correct child restraint is not available.	Driver
Child 12 or 13 years of age or over 135cm in height	Seat belt must be worn if fitted	Seat belt must be worn if fitted	Driver
Adult passengers	Seat belt must be worn if fitted	Seat belt must be worn if fitted	Passenger

More Comfort On Tour With Truma

Truma iNet System

More comfort on the move in your Coachbuilt motorhome: The Truma iNet System enables the Combi heater and Truma air conditioning systems to be remotely controlled anywhere and anytime; be it on the ski slopes, at the beach or when

hiking. The Truma iNet System allows you to control the units easily and simply via the Truma app from wherever you are, and to query the current device and vehicle status. This makes camping much more easy, comfortable and safe.

Aventa Air Conditioning System

All Auto-Sleepers have the option of having an Aventa Compact Plus Conditioning system installed. The Truma roof air conditioner excels with its performance power – Although being especially efficient and economical in consumption the Aventa turns the vehicles into a feel good zone thanks to its high performance. The powerful cooling capacity ensures this on hot summer days. In cool nights the economical heat pump function (2 ventilation

steps) for pleasant temperatures. At the same time the air is not only dehumidified, but also cleaned by a new honeycombed air filter.

The integrated sleep-mode reduces speed of the ventilator in the night and so by very silent air distribution a particular smooth running of the air conditioner is achieved. The single adjustable air-outlets offer various possibilities to dispense the conditioned air in the vehicle.

Truma Combi CP plus

Just set your own comfort zone with the Combi CP plus boiler from Truma. The Combi CP provides heating and hot water boiler in one device and the practical turn-and-push controls of the digital control panel make operation of the system really easy.

the CP plus adds real value: it warms the water even faster, and heats the leisure vehicle to a pleasant temperature – at the push of a button.

This digital high performer even lets you determine the energy source, adjust the fan, or programme the functions of your Combi heater or air conditioning unit by times.

You can intuitively select the required room or water temperature, and the Boost function offered by

Media Pack (Optional)

Home Entertainment On The Move

Press and go, the convenience of having all your TV channels ready to watch in an instant with the Auto-Sleepers' Media Pack. The pack features the Telesat BT Automatic Satellite System, a versatile satellite system providing you with TV and radio coverage throughout the UK and Europe.

Fully automatic

Automatic Satellite Antenna HD with 16 saved Satellites. Equipped with DVB-S2 control unit with OLED display and 2 keys to start a satellite search or lower the dish. Can also be controlled via Bluetooth from your Smartphone via the TELECO App.

Key Features: >>

- This latest model is equipped with a 2 position unit Astra 1 (19.2°E), Astra 2 (28°E)
- Twin LNB as Standard. For use with PVR's, SKY+™ or 2 receivers in different locations
- Fully Automatic: Includes a compact control box to automatically locate the correct satellite with a single button-press
- Clear and easy to use DVB-S2 control unit with OLED display
- Powered by your receiver
- A 65cm offset dish giving this satellite an increased range
- All weather resistant and robust casing
- Complete with operation manual & set up guide
- Compatible with any SD/HD Free to air satellite receiver
- Safety system with automatic closing of the antenna at vehicle start

TELECO

Media Pack^{DX} (Optional)

Cutting-edge technology >>

The Auto-Sleepers Media PackDX Upgrade features Oyster's New Cytrac DX® Satellite System. The innovative antenna technology that facilitates the enormous reception range forms the heart of the Cytrac DX® system. It comprises 1016 interlinked single antennas arranged in a honeycomb pattern. This results in a reception range that is several hundred kilometres larger than that of an equally-sized flat-dish antenna.

The light-weight Cytrac DX® system is only 14cm high. Thanks to its compact design, it fits onto almost any vehicle roof. Its robust exterior unit is made of cast aluminium and requires only little space as it rotates in open position only. The system is mechanically reinforced to resist even strong gusts of wind. Its surfaces are made of highly weather-resistant PC-ASA plastic to shed off hail without taking any damage. A hail cover is therefore obsolete.

Operating the Cytrac DX® system is easy and intuitive as it automatically aims itself at the selected satellite.

Key Features: >>

- Small, compact antenna for space-saving installation on the vehicle roof
- Fully automated satellite searching and aiming in 30 to 60 seconds
- LEM technology for reduced search times (system stores last elevation angle)
- Automatic retraction at vehicle start
- High-quality craftsmanship and durable materials
- Solid, reliable design using PC-ASA plastic that even resists hail

Service you can count on.

Auto-Sleepers Aftercare & Service Centre

Contact Us

Service opening hours:

Mon - Thurs : 7:30am - 5pm

Fri: 7.30am-3pm

Sat-Sun: Closed

Service Department

+44 (0) 1386 853511

Parts Department

+44 (0) 1386 842630

The Auto-Sleeper Service Centre caters specifically for the needs of the motorhome, campervan and caravan owner. Located around the corner from the Auto-Sleeper factory in Willersey, near Evesham, Worcestershire. We offer annual habitation checks, accessories and modifications. Additionally, we can also offer motorhome, caravan and campervan repairs, accident or insurance claims.

The Service Centre technicians have many years' service with the company and are fully trained. Although specialising in Auto-Sleeper models, work can be carried out on any type of vehicle or caravan irrespective of make but please note we

are unable to undertake warranty work on other manufacturers vehicles.

The habitation check covers the motorhomes/caravan chassis, body, fixtures, fittings and include full gas and electric system checks. Base vehicle servicing and Mot's can be arranged off site if necessary.

Dedicated to customer care, the Service Centre offers a comfortable waiting room, refreshments and mains hook-ups for an overnight stay.

Auto-Sleepers Parts Department

The Auto-Sleepers Parts Department aims to provide parts for Auto-Sleepers old and new. When contacting this Department, customers should have to hand the Auto-Sleepers production number of their vehicle (this can be found in the vehicle

glovebox). We endeavour to provide parts for older vehicles, but are unable to guarantee to supply parts that are no longer manufactured by our suppliers.

To find out more about motorhome servicing please visit:
www.auto-sleepers.com/owners/servicing-and-care/motorhome-servicing

To find out more about caravan services here please visit:
www.auto-sleepers.com/owners/servicing-and-care/caravan-servicing

Warranty

Auto-Sleepers Motorhome Warranty

You can be confident about owning an Auto-Sleepers, because we are confident about the way in which we build them. The conversion work of every Auto-Sleepers is covered by our own three year warranty* scheme plus and an additional three year water ingress warranty*. The cover is not restricted to mileage and protects all aspects of the motorhome.

*Terms and conditions apply, please refer to your handbook for further information.

Mercedes-Benz Warranty

The base of your motorhome is covered by Mercedes-Benz. You are covered by a 3 year, unlimited mileage warranty (terms and conditions apply, please refer to the chassis manufacturers handbook for details).

Mobilovan UK

Mobilovan UK keeps the Mercedes-Benz Van Owner On The Road For Thirty Years - Mercedes vans first registered after 1st October 2012. To benefit from Mobilovan UK, the owner must have the van regularly serviced by a Mercedes-Benz service partner. Even if it is a used van or a service has been missed, with each new service the van is automatically entitled to Mobilovan UK cover again, for up to 30 years.

Mobilovan UK also offers special mobility services in the event of a workshop visit arising from a warranty claim or goodwill gesture during the first three years after the van was initially registered.

Europe-Wide

Mobilovan UK cover applies throughout Europe even in a remote lane in Spain. Wherever there is a road, Mobilovan UK cover applies. A Europe-wide network of approximately 3,000 authorised Mercedes-Benz service partners makes this possible. And should it take a little longer to repair the vehicle, the owner can keep on the move thanks to the wide-ranging Mobilovan UK mobility services.

Technical Breakdowns Or Starting Problems

For three years after the initial registration of a Mercedes van, Mobilovan UK will keep it on the move in the event of a technical breakdown or starting problems. Subsequently the mobility guarantee is extended after each service by an authorised Mercedes-Benz service partner – up to maximum of 30 years.

Minor Mishaps Or Driver Error

For three years after the initial registration of a Mercedes-Benz van Mobilovan UK will cover the following:

- Wrong fuel or out of fuel
- Lost or locked keys
- Two or more flat tires
- Road traffic accident
- Vandalism and attempted theft

Workshop Visits For Warranty Repairs Of Over Two Hours

In the case of warranty claims or goodwill gestures in the 3 years following first registration of a Mercedes van the owner will be entitled to Mobilovan UK mobility services if the repair work exceeds 2 hours.

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. This brochure does not constitute an offer by the Auto-Sleepers Group Ltd (Auto-Sleepers). It's the continual policy of Mercedes-Benz and Auto-Sleepers to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Auto-Sleepers reserve the right to alter the specifications and price at any time without prior notice.

Auto-Sleepers design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Bedding and "dress" items shown in photography are used for illustrative purposes only and are not part of the vehicle specification. For more details on the end of life vehicle directive for Mercedes - please visit www.mercedes-benz.co.uk. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press (Oct 2021), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). Effective 1st October 2021. This literature supersedes all others.
