**Living in Motion** is not just a philosophy at Adria, it's a way of life. We believe that travelling enriches the soul and provides a narrative to our ever more hectic daily lives. Our new season 2020 vehicles are designed with adventures in mind. New models, new layouts and detailed improvements across the range. Manufactured at our state of the art production facilities, supported by class-leading warranties, our Adria dealers in Great Britain and over 500 Adria dealers across Europe and beyond, the Adria badge is your assurance of quality on your travels. All of our caravans are designed for living and designed to perform.

So many adventures, so many stories to be enjoyed.

# Why choose Adria?

There are, of course, many brands to choose from, but the reasons for choosing Adria have never been so compelling.

## **PASSION & EXPERIENCE**

Adria has been designing and manufacturing leisure vehicles for over fifty years.

## **INTELLIGENT DESIGN**

Adria leads in intelligent design, which optimizes the use of technology, the best construction methods and materials.

## **WORLD-CLASS MANUFACTURING**

The most advanced production facilities in the industry, ISO 9001, 14001 & EFQM 5 star certified for business excellence, quality management & environmental standards.

## **QUALITY**

Adria motorhomes have a reputation for quality, reliability and durability using proven automotive manufacturing techniques. We make most of our own furniture and quality control the entire vehicle manufacturing process.

## **PEACE OF MIND**

Adria motorhomes come with a class-leading warranty and the support of our dealers in Great Britain and over 500 Adria dealers across Europe and beyond, backed up by a world-class parts supply and aftersales service.

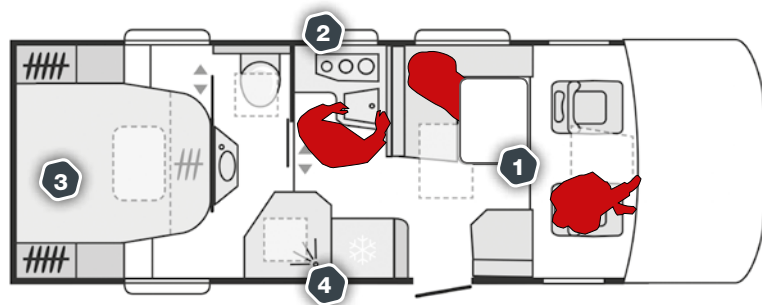

# Designed for living

**DETAILS MATTER.** Our motorhomes are designed for living, where the details matter and every centimetre counts. The science of layouts and construction, so that everything is in the right place, is learned over decades and Adria brings this experience to every layout. For this season we have also redesigned all internal lighting and improved the comfort of our mattresses & seating.

# CLIMATE CONTROL

**ADRIA THERMO-BUILD STANDARDS.** All Adria motorhomes are built to 'Thermo-build' standards, with optimized insulation materials, precisely engineered heating design and Adria's Air Flow System which integrates the flow of air through the vehicle. This means all our motorhomes are suitable for use all year round. All vehicles are tested in our own climate chamber, from -40 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

**VENTILATION COOLING.** Comfort is assured in warmer conditions too with optional factoryfitted air conditioning and good ventilation and shading integrated into our vehicle designs, including thermo-shielding and integrated screens in our sky-roof panoramic windows.

**\*some features may not be available on all models.**

**truma**

**Alde**

**HEATING.** We offer the best heating systems and test our vehicles to extremes in temperature and humidity in our own climatic chamber. We offer Truma heating, easy to use warm air distribution system with optional electrical underfloor heating. On selected models we offer Alde integrated heating, which is a liquid based central heating system, distributing heat evenly through the floor.

# BASE VEHICLES

## VEHICLE CHASSIS

**WE CHOOSE THE BEST CHASSIS FOR EACH VEHICLE FOR THE BEST TORSIONAL STRENGTH, PERFORMANCE DYNAMICS AND INTERIOR LIVING SPACE DESIGN.**

### **AL-KO HIGH PROFILE CHASSIS.**

Sonic Supremes offer this chassis for optimum torsional strength and interior living space design. AL-KO Air Premium, AL-KO level controller are also available as options on Sonic Supreme models.
