# Range Overview

### Features:

Family Friendly - At least 4 fixed sleeping places without conversion seating. Lightweight Construction - 3.5 t vehicles with 4-passenger registration and sufficient payload capacity.

Flexible - An electrically adjustable lifting bed offers additional sleeping places on request.

Stay Cool - Refrigerators with at least 142 I volume and freezer compartment. Inviting - 70 cm XXL wide entrance doors.

Put Your Feet Up - Comfortable L-seat with free-standing table.

Bedding - Fixed beds with 7-zone premium mattresses on ergonomic wooden grate. Ergonomic - comfortable pilot seat with height / tilt adjustment, padded armrests and good side support.

Safety - Electronic stability program including important driving assistance systems. Indoor Climate - Optimum back ventilation of the roof cabinets prevents the formation of condensation.

Protected - resistant GRP roof to protect against hail.

Powerful - 95 Ah battery with AGM technology for higher performance, longer life and shorter recharge time.

Storage - especially high, partial e-bike-capable rear garages thanks to Dethleff's rear lowering. Height adjustable queen bed : comfortable bed entry or high rear garage.

- + Coupé entrance as standard (T/I)
- + Height-adjustable bed (as option for 7057 DBM)
- + Stylish design package (T/I)
- + T with enlarged passageway to cab
